Port Clements Landfill Closure

The Skeena Queen Charlotte Regional District retained SHA to undertake design, construction management and QA/QC of Closure systems of Port Clements Landfill.

SHA provided a full range of engineering services on this assignment that included a conceptual design report, detailed design drawings, technical specifications, tendering services, construction supervision, QA/QC and management of monthly progress draws. SHA applied innovative concept of closure with AGRU SUPERGRIPNET geomembrane

SQCRD Contact: Helen Koning (250) 624 2002
Project Budget \$102,000
