Whistler Landfill Closure Plan, Resort Municipality of Whistler

- *Identification of most cost economical closure materials and sources.*
- *Developing continued operations plan to maximize site capacity within the existing footprint.*
- *Re-designing surface water diversion ditching and grades to efficiently divert surface water from landfill footprint.*
- *Developing a cover design to reduce infiltration and therefore quantities of leachate treated at the nearby treatment plant.*

Municipality of Whistler Contact: Brian Barnett (604) 688-6018
Project Budget \$25,000.
