Annual Environmental Monitoring for Hope Landfill

SHA's has been retained by District of Hope to collect and interpret environmental monitoring data since 1999.

•Services include water quality sampling of streams and groundwater monitoring wells, annual geotechnical inspection and annual reporting.

•Data is compiled in a computer data base. Plots are generated to identify any deterioration of water quality.

District of Hope Contact: Scott Misumi (604) 869-5671

Project Budget: \$25 000
