Skeena Queen Charlotte Regional District Review of Islands Waste System

- *SHA and Carney's Waste Systems were retained to conduct an Operations Review of the entire Islands Solid Waste System, including transfer stations, hauling, recycling and landfills.*
- *Key recommendations made by review team included simplifying recycling program to four materials, consolidating all operations at the landfill site and adding a live trailer to double efficiency of hauling.*
- *Economic model revealed that SQCRD will realize savings of \$194,000 per year by implementing recommendations.*
