Review of Waste Reduction Strategic Plan for the City of Penticton

The City of Penticton requested a review of their new Waste Reduction Strategic Plan.

SHA determined that the City's report was well written requiring only minor modifications, and recommended that a 'cost vs. tonnage recycled' analysis be used as a means to prioritize strategies, evaluating order of implementation and assessing the degree of funding that each initiative should have.

**City of Penticton Contact: Bill Muir (250) 490-2400.
Project Budget: \$1 500**
