ASSOCIATES**

Campbell Mountain Landfill, Recycling and Refuse Collection Options

- *SHA was retained to determine preferred method of collecting, processing and marketing recyclable materials within rural and urban collection area.*

Project involved:

- *Defining the existing collection and recycling program.*
- *Determining waste generation rates and recyclable component.*
- *Conducting detailed economic assessments of each program.*

Recommendation Provided:

- *expand collection to rural areas and develop a large scale, centralized recycling depot.*

Regional District of Okanagan Similkameen (RDOS) Contact:

*David Duckworth, P.Eng.,
Public Works Manager (250) 490-4142*

Project Budget: \$16,500.
